## Arbor Day means BIG savings for you!

Arbor Day, April 29th, is a day dedicated annually to public tree planting. To help celebrate we invite you to stop in Monday, April 25th through Friday, April 29th and take advantage of our Arbor Day FREE delivery in Bloomington/Normal and other discounted deliveries to Central Illinois locations. This will be limited to your tree purchases only, that also meet our required size and pricing. Deliveries will be scheduled with open delivery times and dates available. This is a first come, first serve offer so the sooner you stop in the better the choices for dates and times will be.

## Tyler's Tip

Plan your vegetable garden this month to reduce labor and increase your yields later. Remember that \$2 or \$3 plant can provide you with 10lbs of fruit over the course of a season. The flavors and textures you can grow will far exceed anything you can find in the grocery stores. Plus, gardening is fun! You can spend time with your family or just take a few minutes to yourself spending time outdoors.

## APRIL SHOWERS bring MAY FLOWERS

Dicentra or Bleeding Hearts have always been a treasured perennial among gardeners. The famous springtime heart shaped flower now offers many varieties that will bloom all summer long. Our new favorites 'Sulphur Hearts' and 'Love Hearts' will make your yard the talk of the neighborhood block party!

DICENTRA X 'Sulphur Hearts' - show large sulphur/canary yellow heart shaped flowers on dark stems, attractive blue-grey fern like foliage often becomes more blue when planted in full sun. Bloom time is late spring to early fall. The height and spread ifor the 'Sulphur' variety is 12-18". *Photo to the left from pinterest.com.*

DICENTRA X 'Love Hearts' - show gorgeous heart shaped white flowers with purple ends, dense flower clusters on gracefully arching stems that will continue to bloom throughout the summer. They have a finely cut blue-grey fern foliage that you will absolutely adore. The height and spread for the 'Love' variety is 10-12". *Photo to the left from pinterest.com.*

## Did you Know?

### It's National Grilled Cheese Sandwich Month?

**The grilled cheese sandwich became a household staple around 1920 when affordable bread and inexpensive cheese became available. It originally was served open faced with finely shredded American cheese.**

It's National Frog Month and we have your Happy Frog® in our garden center.

The tomato & vegetable fertilizer contains premium ingredients like bat guano, kelp meal, alfalfa meal, fish meal and naturally occurring organic material that is formed when organic matter decomposes.

The ratio of nitrogen, phosphorus and potassium allow your plant to feed vigorously while producing abundant high quality fruit.

Be sure to check out our coupon in this newsletter for a free 4 pack of tomato plants with every bag of Happy Frog® you purchase.

## Lemony Lace™ Elderberry adds style

Lemony Lace™ Sambucus is here! If you are fond of Elderberry you are going to fall madly in love with this one. Lemony Lace™ is a result of a cross between ‘Southern Gold’ and ‘Dropmore Fernleaf’. By combining the best characteristics of each parent, we are presented with a compact plant, with extremely fine cut, lemony-lime foliage and red fall fruit. The Lemony Lace™ has a height of 3-5” and spacing 3-6”. Lemony Lace™ prefers well-drained soils and to be planed in sun to partial shade.
